Information on Letting the School Premises

Whiteoak Academies of Hannah
More Infants and Grove Juniors
Whiteoak Way
Nailsea, BS48 4YZ

Situated on the south-western edge of Nailsea, the school site is easily accessible by car and bus. The schools enjoy the benefit of 20 on-site parking spaces and 16 parking spaces in an adjacent private car park and street parking on Whiteoak Way. Approaches to the school buildings are well illuminated and offer safe and convenient access for pedestrians and vehicles, including wheelchair access.

At Grove, a number of different rooms and spaces are available for hire. Each space is well lit, heated and provided with general power points.

In addition, the Main Hall has the benefit of a valid Public Entertainment Licence and is equipped with emergency lighting and exit doors to the satisfaction of the Local Fire Authorities.

As the site is owned by the Lighthouse Schools Partnership (LSP) hirers must comply with LSP Lettings of School Premises Policy and Regulations. These are available from the school office or on the website.

If you are interested in discussing the hire of the spaces indicated in the Schedule of Accommodation, please contact the School Office between 8.15 am - 4.30pm and a member of the administration team will be happy to show you the spaces available.
