Answer: assemble

Answers

1. Which of the following is not a synonym of 'assemble'?
Tick one.

congregate collect
 disperse convene

2. Where do most schools often hold assemblies?
in a hall

3. What is the purpose of the illustration at the bottom of the page?
The illustration shows Minions assembling which is a clue to the answer to the riddle, which is 'assemble'.

4. Explain why the author uses the word 'merely' within the third line of the riddle.
The author used the word 'merely' because it shows that the reader only has to look at the last line and doesn't have to solve a riddle to work out the letter.
