"Planting Dreams. Nurturing Hearts. Growing Minds."

Thursday 21st March, 2024

Dear Parents and Carers,

The Whiteoak Academies Pupil Enrichment & Curriculum Fund

Firstly, I would like to say a huge thank you to those of you that have already contributed to our Pupil Enrichment & Curriculum Fund. The money raised so far has been used to fund or subsidise:

- Food and resources for French Day,
- Design & Technology resources such as felt, sewing materials and ingredients,
- First Aid,
- Playscripts & musical resources,
- Art resources and materials,
- Visitors to school and local visits.

As you know, we are proud of the strong curriculum provision we have developed and fully recognise the importance of broad and varied experiences for our children. We also have a full programme of enrichment with some of the examples and details available on our website [here](#).

We are incredibly grateful for any contributions you are able to make as they really do enable us to continue to enhance the curriculum opportunities for our children.

We would now like to request the voluntary Spring term payment towards our enrichment and curriculum fund. As before, we are asking parents for a voluntary donation of £10 per family.

If you are unable to make this donation but are able to make a smaller contribution, we would be most grateful. You are also able to donate a larger amount should circumstances allow. Alternatively, you could make smaller monthly payments via standing order. The account details for payment are as follows:

Hannah More Infants

Account Name: LSP-HAN Sort Code: 30-18-88 Account Number: 59458668

Grove Juniors

Account Name: LSP-GJU Sort Code: 30-18-88 Account Number: 59458260

Payment can also be made on ParentPay using this link: [Parent Pay Login](#)

We also hope that this payment to our school fund makes life more convenient for our families as we no longer ask for small donations of £2 or less. However, this fund **will not** replace charitable donations, contributions to WOWSA, payments for peripatetic music lessons and whole class school trips. These monies will still be requested as and when required.

We understand the challenges faced by many families at present but hope that, where possible, you can continue to support us in making a contribution. You will be able to pay from today using the account details contained in this letter and payment can be made through either account where you have one child in each of our schools.

Thank you for any support you are able to provide in helping us to further enhance the children's learning.

With very best wishes,

Mr D. Cook
Executive Headteacher
