

French Club

Dear parents and carers

I am delighted to be able to offer pupils in **Year 5** at Grove Juniors the opportunity to join **French Club** on **Thursdays after school**.

I am an experienced language teacher, fluent in French and German, teaching fun, structured and progressive language classes. Children absorb language so well at a young age, French club is a great way to make best use of their natural ability to learn new sounds and intonation.

There are limited spaces in each session, ensuring the opportunity for maximum participation from each child. The cost is £6 per session, paid termly. At the start of each programme (annually) children are charged an additional £15 for the activity book, media app access code and parent guide. These resources can also be used at home to support and enhance learning.

My French Clubs follow *La Jolie Ronde* programmes, teaching in a fun way using role play, singing and vocabulary games, often the children learn new words without even realising. To find out more about *La Jolie Ronde* language method, visit www.lajolieronde.co.uk.
