

Term 3 Week 3 – Foundation Subjects

Science:

Gather 20 small objects from around your house. What are they made of? Sort them according to the material they are made from. Can you sort them in another way?

History:

This week we will try to answer the question *Why did the Great Fire of London spread so quickly?*

See what you can find out by playing this game

<https://www.fireoflondon.org.uk/game/>

and watching this video

<https://www.youtube.com/watch?v=aX9pJkp2TQA>

Think about the houses and the weather.

Can you write some sentences to answer the question?

RE:

In RE we are looking at how we should live our lives according to Christian beliefs.

Many years ago, Moses (a Jewish leader) brought 10 commandments from God to help people live good lives. These rules were later summarised as 'Love God and love your neighbour as yourself'.

Talk to your adult – how can Christians show their love for God? How can we show love for other people?

Make a poster with lots of labelled pictures showing all the ways we can show love for God and other people.
