

See if you can complete the following. Use practical resources if you need to, such as 17 counters, matchsticks or pieces of pasta!

You could also help your child to use the number line at the bottom of the page. Help them to see that they can find the answer by counting in steps backwards along the number line.

Match the calculation to the answer.
Find the missing buddies.

$17 - 5$	7
$17 - 3$	13
$17 - 10$	12
	15
$17 - 8$	14
$17 - 2$	11
$17 - 6$	
$17 - 7$	8
$17 - 1$	10
$17 - 9$	16
