

Calculate:

$9 + 9 = \square$

$10 + 8 = \square$

$18 - 5 = \square$

$18 - 4 = \square$

$12 + 6 = \square$

$18 - 7 = \square$

$5 + 13 = \square$

$18 - 3 = \square$

$18 - 12 = \square$

$18 - 13 = \square$

$3 + 15 = \square$

$18 + 0 = \square$

Have a go at these. Support your child using practical resources, such as 18 lego cubes, to help if necessary.
