

Community Food Club

Nailsea Community Group

We're planning on launching a Community Food Club in August.

If your child(ren) receive(s) free school meals or you receive Working Tax Credits then you can join our Community Food Club and reduce your food bill.

Membership costs £1 per family. This allows you to use the Food Club once a week and purchase 10 items worth about £15 for £3.50 – tinned food, biscuits, household items, pet food, pasta, rice etc.

If you are interested please fill in your details here and we'll be in touch.
