"Planting Dreams. Nurturing Hearts. Growing Minds."

Friday 8th December, 2023

Dear Parents, Carers, Family and Friends of the Whiteoak Academies,

Our Enrichment Curriculum

As a family of schools, we have worked incredibly hard to develop a broad, rich and varied curriculum. This includes ensuring that our children are provided with some of the highest quality enrichment opportunities possible. As a school, we believe strongly that education is much more than just a set of results. It includes children's intellectual growth, social and emotional development, citizenship and responsibility, happiness and success.

As a result of this body of work, I am delighted to share with you our updated curriculum enrichment overview (see attached document). This details the range of experiences and learning we aim to provide to our children, including a variety of performances, with all children from Reception to Year 6 provided with opportunities to perform in public. This can also be found on our website [here](#).

Furthermore, we are firmly committed to developing a truly broad and balanced curriculum that extends well beyond the classroom and aim to ensure that in their time with us, all of our children have the opportunity to:

- Visit different places of worship
- Experience a residential
- Learn a musical instrument and experience live music
- Experience dance
- Go to the theatre
- Visit museums and galleries
- Swim at least 25 metres
- Perform an act of community service
- Explore their local environment
- Take part in a sports competition
- Experience democracy by casting a vote
- Learn first aid
- Engage in intergenerational experiences
- Learn how to ride a bike
- Plant, grow and then use what they have grown
- Enjoy the great outdoors
- Be involved in charitable work.

A big thank you to our staff team for going above and beyond for our children and to you for your support. As always, it is only by working together that we provide the very best opportunities for our children. We are also incredibly grateful to all of our families who have contributed to our Curriculum Enrichment Fund. Without your support, many of these additional experiences would simply not happen. If you would still like to make a voluntary contribution, you are able to do so via the ParentPay link or using the details below:

Lighthouse Schools Partnership. Registered address: St Mary's Road, Portishead, Bristol BS20 7QR
A charitable company limited by guarantee registered in England & Wales (Company Number: 07662102)
